Close your eyes and place your index finger somewhere on the grid. Move that number of spaces your finger pointed to.

Follow the number of spaces and direction that the arrows indicate.

START

So-So forgot her schoolbag at home, move back to the beginning

An adult ensures that the children's schoolwork is done

Mum forgot to submit So-So's school registration form

School uniforms are clean and ready to be worn

The children watched TV until late and struggled to wake up for school the next day

Stand on one leg for 60 seconds

Everyone is late for school, because Grandma did not set the alarm

Shout out the SAgO2school slogan

Freeze!!! You have to stay silent and not move for one round

Ro-Ro did not show up for school to write his exam

Tell the group what job you dream of doing one day

So-So went to the park instead of going to school

Go-Go received a certificate for 100% attendance. He came to school every day

The children are not helping mum with the housekeeping

Go-Go always makes sure that he knows what homework he must do

The kids throw stones at the dog. This is wrong

Tell the group what makes you sad and what makes you happy

The educator waited for the parents to attend the parent-meeting at school, but they did not show up

Go pick up 5 pieces of litter and throw it in the bin

All the children in the family completed grade 12

Mum did not take her sick child to the clinic, but sent him to school instead

Ro-Ro is hanging with the wrong crowd and started using drugs

Auntie taught the children how to mend their clothes

Lo-Lo forgot to give his mum a letter from the school

Sing your favourite song

To-To stole money from his dad's wallet

Go-Go worked very hard and were awarded a 7 for English on his report
