- Resides in Klapmuts.
- Fluency in Afrikaans (ability to communicate in Xhosa and English an advantage)

### **THE IDEAL CANDIDATE WILL HAVE**

- A strong personal relationship with Jesus Christ.
- Certificate in ECD / CYCW / Community Development Worker
- Experience working with (and love for) children and families and working in the community.
- Good interpersonal skills and ability to work with people from all walks of life.

### **Personal Attributes**

- Responsible, reliable person with good work ethics.
- Leadership skills, assertive and ability to take initiative as well as work in a small team under supervision.
- Creativity and ingenuity in programme application.
- Physically fit, healthy and strong.
- Energetic and ability to engage enthusiastically with children in physical activities.
- Ability and willingness to work in the community in all weather conditions.
- Professional physical appearance.

### **Main purpose of the job.**

- To implement Khula programmes with children and adults at school and in the community under the supervision of the programme facilitator and coordinator.
- To assist other Khula programmes in the running of the programmes in Klapmuts.
- To assist the programme facilitator and programme coordinator in building relationships to further the Vision and Mission of Khula and the aims of the programme whether at school, with community members and stakeholders or other organisations.
